TOKYO JAPAN SOUTH (ENGLISH) STAKE

April 29, 2022

Fellow Saints,

We invite all members of the Tokyo Japan South Stake to stake conference with Elder William H.K. Davis and Elder Youngjoon Kwon of the Fourth Quorum of the Seventy. Messages of inspiration and testimony will be delivered to our wards and branches including: Iwakuni, Misawa, Yokosuka, Yokota, Zama, Tokyo 1st and Tokyo 2nd.

Saturday's Stake and Ward Council Leadership Meeting will take place over Zoom using the link noted below. We encourage members to gather for both the Saturday adult session and the Sunday General Session at the Temple Annex (5-8-8 *Minami-Azabu, Minato-ku, Tokyo*). Those members who live outside of the Kanto plain (Iwakuni branch and Misawa ward) may join the General Session via a livestream link that will be posted to the stake calendar and [website](#) soon. We ask all saints, as encouraged by our Area Presidency, to gather in person for the Adult and General Session. As parking is limited, all those in close proximity to the building should walk. Others, please consider public transportation or carpooling.
