YOKOTA WARD

RELIEF SOCIETY NEWSLETTER

Announcements

- With new COVID restrictions on Yokota AB we are meeting in person for sacrament meeting only. The chapel will be open as well as two other overflow rooms to allow for safe social distancing.

- New ministering assignments should be coming to you in the coming week. Please let us know if you have any questions.

-The missionaries are available to teach your families and help you create a missionary plan, this can be done via zoom. They are not able to eat in members' homes at this time. However you can give them food to eat at home.

-We are using the Gospel Living app to stay connected. The app is can be found on this page:

<https://www.churchofjesuschrist.org/pages/mobileapps?lang=eng>

In the app you can log in with your username and password used on the church website. We use the circles to send out messages and stay in touch. Please contact one of the presidency if you need help setting it up

-Our ward has a mission plan. Our goal is to make 500 invitations by the end of the year. These invitations can include inviting someone to church or an activity, inviting them to read the Book of Mormon, Inviting them to a lesson or dinner at your house, etc.

-Our ward has a temple and family history plan. Our goal is to have temple and family history experiences. These can be as easy as discovering your ancestors on family search, indexing, visiting the temple, or talking to a relative about their experiences. There is a temple bulletin board by the sacrament room where you can post your experiences.

-Helpful groups affiliated with Yokota AB: Big Group of Ladies and Book Club. Please note that these group chats are not run by the Relief Society or the Church. For church related discussions, we encourage everyone to use the Gospel Living App.

Spotlight – Nicole Gubler

Hello! I'm Nicole Gubler. We just PCS'd here from MacDill in July. My husband, Alex, is an Air Force audiologist and we have 3 children: Zaylee (14), Jack (10), Carter (8) and a dog, Ginger (7). Alex and I are both originally from Southern Utah. Alex has been active duty military since 2010 and we have been stationed in San Antonio, TX, Aviano, Italy, and Tampa,

Florida. I am a certified pharmacy technician and a stay at home mom. I love reading and was able to volunteer at my kids school library in Florida and loved it. (Books are more fun than pharmaceuticals 😊). I also enjoy playing the piano and spending time outdoors. My dream home is in the mountains with lots of puzzles, books, hiking trails, and no mosquitoes. I am a quiet person and not super outgoing but am happy to make new friends when opportunities arise. I seriously dislike both public speaking and being the center of attention. As a family we love to travel and explore. We look forward to our time here and seeing all that Japan has to offer!

Spotlight – Ivey Mitchel

I am Ivey Lloyd Mitchell and I'm happy to have joined the Yokota community in July and I love being back in Japan after spending a summer here when I was 17. I was born in Tennessee as the youngest of six and now have six of my own with my husband Darren. We met at BYU study abroad in Jerusalem and are home based in

Utah (where our eldest is at USU) but have lived in California, Maryland, Australia, and most recently came from the English Cotswolds. I have a background in the performing arts - I love singing, dancing, screen acting, violin, reading, games, running, hiking, and anything outdoors in Mother Nature's beauty. I'm a hippie at heart and prefer natural options for most things, but a good dark chocolate can fix anything. My absolute favorite is family time and spontaneous adventures in new places, so I'm looking forward to plenty of both here in Japan (and sending a huge thanks for the warm welcome we've received from the ward so far.)
