A little bit about me...

I grew up in Eastern Washington, where a lot of my family still lives. I studied business, art, theater & English in college, & attended two community colleges, Southern Virginia University, & finally BYU, where I received my bachelors degree in English. Prior to military life, I was a professional fitness & yoga instructor, & taught many places including the MTC in Provo & as adjunct faculty at Utah Valley University. I am mom to 7-Hyrum (15), Asher (14), Amalia (12), Salem (10), Tyndale (7), Wesley (3), & Alvin (1). We have lived in Utah; Texas (twice—San Antonio & Del Rio); Okinawa, Japan; Virginia, & now Japan (again!). My husband is a JAG & is going on his 9th year of service (this is our 5 assignment). As a family we love the outdoors, swimming/water, cooking together, books, & playing with each other (we have some avid board game fans—Wingspan is a favorite). I enjoy being active (I don't like to sit!), listening to podcasts, anything related to finances, reading (or listening) to books, & getting to know people.

Spotlight – Liz Monson

I am Liz Monson, my family is my pride and joy. Jake and I have been married for 11 years. We have four energetic, loud, and absolutely adorable boys. They love telling jokes, riding bikes/scooters/skateboards, reading and playing games. I love having them around to remind me to find the joy in the little things.

I am from Ohio. I grew up with four brothers, which has prepared me for my four boys. My parents took us camping, hiking, and backpacking. These are still some of my favorite activities.

I studied chemical engineering at BYU, where I modeled forest fires for the forest service. After school I taught college algebra at Park University and tutored middle school students. Then I became a mom and decided I didn't want to split my time anymore. I have been taking care of these cute kids ever since.

The army has taken us to Ft Leonard Wood Missouri, Oahu Hawaii, and now here at Yokota. I have loved getting to know each location.
